

RPL#2 Rust Preventative

Features & Benefits

- Superior Rust Prevention
- Excellent Salt Spray Protection
- Water Displacing
- Non-Greasy Film Residue
- Moderate Outdoor Protection

PRODUCT DESCRIPTION

The **RPL #2 Rust Preventative** is an evaporative, water displacing, and non-staining rust preventative and lubricant that leaves behind a relatively dry film. This product will provide intermediate-term salt spray rust protection and provides short-term outdoor rust protection. **The RPL# 2** can be applied by spraying, brushing or submersion. Individual tests should be run to check compatibility of rust preventative to paint or other type of coating. Remove by wiping with a light petroleum distillate (i.e. Mineral Spirits) or other commercial degreaser.

PROTECTION

Indoors up to 18 months
 Outdoors up to 6 months
