

# HAND AND BODY CARE

HAND AND BODY CARE

## PINK LOTION HAND CLEANER

READY TO USE

Ready-to-use, coconut oil based liquid hand soap for general purpose cleaning. The thick rich lather quickly removes grease, grime, and soils without using harsh chemicals or abrasives. The pleasant cherry fragrance leaves hands smelling fresh and clean. Fortified with humectants, emollients and other skin conditioners to soften hands while cleaning. For use by construction workers, restaurant workers, aircraft mechanics, automobile mechanics, hotel and motel personnel, and industrial workers.

PART NO.	SIZE	CASE QTY
M-05001	1 Gallon	4

### DISPENSER

FOR USE WITH PINK LOTION HAND SOAP

Touchless dispensers automatically dispenses sanitizer or pink lotion hand soap when hands are detected under the unit. The contactless system provides excellent coverage allowing for quick and easy hand sanitizing. Large capacity (1,000 ml) reservoir. The large front window allows for easy monitoring of fill level. Low-battery indicator light lets you know when it's time to replace batteries.

PART NO.	DESCRIPTION
M-51612	Droplet (Gel) Dispenser

## HAND CLEANER WITH GRIT

This product is a concentrated hand cleaner that conditions hands while cleaning with a gentle scrubbing action. Uses ground walnut shells as an alternative to pumice. Removes grease, grime, oil, tar, ink, paint, moly, asphalt, carbon, putty, adhesives and other soils. Leaves hands smooth and smelling fresh. For use by mechanics, oil field workers, machinists, factory workers, construction personnel, printers, airport personnel and refinery workers.

PART NO.	SIZE	CASE QTY
M-05061	1 Gallon	4

## HAIR AND BODY SOAP

A rich luxurious, thick, foaming hair and body soap for the bathroom and shower. This shower soap and shampoo contains emollients that leave the hair and skin clean and hydrated, without being stripped of natural oils. This product is aggressive to dirt and perspiration, yet gentle to the skin. Its clean scent makes this product desirable for use by all.

PART NO.	SIZE	CASE QTY
M-05171	1 Gallon	4

## HAND SANITIZER

### LIQUID AND GEL

Alcohol-based liquid or gel hand sanitizers that evaporate quickly. These products are recommended for repeated use to help decrease bacteria on the skin and prevent the spread of infectious diseases. Both liquid and gel products contain humectant moisturizer to keep skin hydrated. FDA NDC Registered.
