FOR IMMEDIATE RELEASE

Ashburn Chemical Technologies is the FacilityCare Sponsor for Offshore Technology Conference (OTC) 2021

HOUSTON, TX. – Ashburn Chemical Technologies, the supplier of [FLUID360™](#) and [FACILITYCARE360™](#) solutions that works to GO BEYOND and protect people, process, and production, is the [FacilityCare](#) sponsor for OTC 2021.

OTC is where energy professionals meet to exchange ideas and opinions to advance scientific and technical knowledge for offshore resources and environmental matters. Celebrating 50 years since 1969, OTC's flagship conference is held annually at NRG Park in Houston. OTC has expanded technically and globally with the Arctic Technology Conference, OTC Brasil, and OTC Asia.

OTC is sponsored by [13 industry organizations and societies](#), that work cooperatively to develop the technical program. OTC also has endorsing and supporting organizations.

The Offshore Technology Conference is committed to the safety and well-being of all attendees, exhibitors and staff. To get the latest OTC 2021 health and safety updates, visit <http://go2.otcnet.org/5n2M50FNLvf>.

Ashburn is committed to serving the community by providing the disinfecting and sanitization products and services that allow you to cost-effectively protect your most valuable resources: this commitment to community is why we've partnered with OTC as the [FacilityCare](#) sponsor. With [FACILITYCARE360™](#), Ashburn can help protect your environment with the highest quality cleaning, sanitizing, disinfecting and deodorizing products, keeping your facility clean and safe for your most valuable resources.

"Ashburn is thrilled to have the opportunity to partner with OTC, donating hand sanitizer, touchless dispensers, dispenser stands and masks for the OTC 2021 show," said Julie Bodine, VP of Marketing for Ashburn Chemical Technologies. "In everything we do, our culture defines how we work together to serve our customers."

Safeguarding OTC employees, vendors, exhibitors, visitors, etc. is of utmost importance to Ashburn and we are proud to contribute to this effort," Bodine continued.

Along with sponsoring the show, Ashburn will be joining an remarkable list of more than 2200 exhibiting companies representing more than 40 countries. This is an excellent opportunity for visitors to learn more about Ashburn's industry-leading [FLUID360™](#) and [FACILITYCARE360™](#) products and [services](#).

Fluid Service Technologies

About Ashburn Chemical Technologies

Ashburn Chemical brings advanced fluid products and services to industrial manufacturing companies to cost-effectively protect operational production, product quality, tooling, machinery, the operator environment, and your satisfaction. In addition to manufacturing quality chemicals, Ashburn provides custom-designed fluid maintenance programs.
