FOR IMMEDIATE RELEASE

Ashburn Chemical Technologies Donates to The Church Without Walls

HOUSTON, TX. – Ashburn Chemical Technologies, the supplier of [FLUID360™](#) and [FACILITYCARE360™](#) solutions that help our customers GO BEYOND to protect people, processes and production, is proud to have been able to donate Ashburn's [MicroCloud Lite](#) to Houston's The Church Without Walls.

MicroCloud™ LITE is the industry's best solution for quickly and effectively sanitizing any surface or area. This portable, handheld, ultra-low volume (ULV) unit is designed for convenient disinfecting, allowing you to spray target surfaces more thoroughly than other cleaning practices.

In 1968, Ashburn Chemical Technologies started as a regional manufacturer of metalworking fluids and lubricants in Houston, Texas. Since then, Ashburn has established itself as a manufacturer of an extensive line of metalworking fluids and maintenance chemicals with a focus on products used to cut, clean and protect metal. "Our Six C's, consideration, customer needs, continuous improvement, cash flow, community and common sense are values we live by," said Ashburn Vice President of Marketing, Julie Bodine. "They are the very core of everything we do as a company. We are delighted to be able to give back to the community and provide sanitization products to The Church Without Walls."

The Church Without Walls is one church in three locations in the Houston area. Under the Leadership of Pastor Ralph Douglas West, The Church Without Walls is devoted to spreading the gospel of Jesus Christ, the study and application of God's Word and global outreach. The Church Without Walls believes that believers are limitless in God's possibilities. Therefore, no "walls" can restrict God's people and "... all things are possible ..." with God on your side.

The Church Without Walls is committed to bringing men and women who do not have a personal relationship with Jesus Christ into fellowship with Him and into responsible church membership through equipping believers, enriching persons, evangelizing people, edifying missions.
